

2018 North Carolina Annual STD Update

Northwest AHEC \ Winston-Salem

March 21, 2018 \ 9 am – 4 pm

Overview

The NC STD Update will provide updated information on recent trends and current management of a variety of sexually transmitted diseases including syphilis, gonorrhea, chlamydia and vaginal infections. This activity will also address best practices as relates to the care of transgender individuals and unique management and treatment approaches pertinent to adolescent sexual health.

Target Audience

This knowledge-based activity is targeted to physicians, advanced practice providers, pharmacists, nurses, public health workers and other health care providers.

Objectives

- List at least two best practice approaches that care settings can implement to optimize the experience of transgender clients.
- Implement the current CDC-recommended treatment for gonococcal infection.
- Describe at least one characteristic unique to adolescents that put them at increased risk for STIs.
- Utilize CDC recommended approaches for the evaluation of women presenting with vaginal complaints.

Credits

- 5.25 Contact Hours from Northwest AHEC
- 0.5 CEUs from Wake Forest School of Medicine
- 5.0 Certified Health Education Specialist (CHES) Continuing Education Contact Hours

Sponsored by Northwest AHEC, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designated for Certified Health Education Specialists (CHES®) and/or Master Certified Health Education Specialists (MCHES®) to receive up to 5.0 total Category I contact education contact hours. Maximum advanced-level continuing education contact hours are 5.0.

Total contact hours earned: 5.0 Provider# 98985

- This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the University of Alabama School of Medicine, the UAB Division of Infectious Diseases and the Alabama-North Carolina STD/HIV Prevention Training Center.
- The University of Alabama School of Medicine designates this live activity for a maximum of 5.25 AMA *PRA Category 1 Credits™*. Participants should claim only the credit commensurate with the extent of their participation in the activity.

The University of North Carolina Eshelman School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

This program will provide a total of 5.25 contact hours.

AHEC Faculty Coordinator:

Sheila D. Bogan, MPH, MCHES

Coordinator of Dental and Pharmacy Continuing Professional Development
Northwest AHEC

No partial credit will be offered for this program.

Continuing Education Credit: To receive CE credit, participants must preregister and acknowledge their attendance by signing in at the beginning of the program. Participants must attend 100 percent of the program and participate in learning activities. Statements of credit can be viewed and printed from CPE Monitor.

ACPE Universal Activity Number: 0046-9999-18-107-L01-P

Important new requirement from the Accreditation Council for Pharmacy Education (ACPE) and the National Association of Boards of Pharmacy (NABP) for all pharmacists and technicians who obtain CPE credit. The CPE Monitor system will securely track all your completed CPE credits in a central system. Learn about the new requirement at: www.nabp.net.

Co-provided by: Northwest Area Health Education Center (AHEC), a program of Wake Forest School of Medicine and part of the NC AHEC System, and the University of North Carolina Eshelman School of Pharmacy.

Participant Registration

Participants must complete steps 1 and 2.

There is no registration fee, but REGISTRATION IS REQUIRED for ALL participants.

Conference registration deadline is March 13, 2018. After the deadline, you may view the enduring/archived event that will be posted to the website within two weeks of the program date.

Step 1: CDC Registration *(required)*

In order for us to offer this event at no charge to participants, our funder, the Centers for Disease Control and Prevention, requires participants to complete a Health Professional Application for Training in addition to your registration through Northwest AHEC.

For issues with the CDC site, please email Thomas Creger - thomascreger@uabmc.edu

We recognize that much of this information is redundant, but registration is required in **BOTH** systems to complete registration for this event and to receive continuing education credits.
