

Update on Hospital Medicine Conference

Oct. 1 – 2, 2021

**Omni Hilton Head Oceanfront Resort
Hilton Head, SC**

Register TODAY at www.nwahec.org/63227

Target Audience

Physicians, APPs, RNs, and students

As part of our commitment to diversity and inclusion, the Northwest AHEC provides compassionate education and respectful care for all, regardless of socioeconomic status, race, ethnicity, language, nationality, sex, gender identity, sexual orientation, religion, geography, disability and age.

Purpose and Objectives

Using evidence-based medicine, this conference provides efficient updates on hospital medicine that you can implement into your daily practice. During this intensive 2-day conference, you will engage in lectures and workshops covering a dozen topics led by expert faculty. We look forward to this educational weekend

Upon completion of this program, participants should be able to:

- Formulate a first-line treatment plan for the different stages of pulmonary HTN.
- Illustrate how palliative care principles are best integrated with disease-directed treatment plans.
- Explain basic tracheostomy care for a standard patient.
- Identify common pathologies on abdominal CT: Diverticulitis, free air/perforations, gut wall edema, ascites.
- Identify when it's appropriate to focus on rate vs rhythm control in newly discovered or newly recurrent atrial fibrillation.
- Define updates in antibiotic regimens for common hospital medicine admissions: Pneumonia, Osteomyelitis, UTI/pyelonephritis and Endocarditis
- Discuss what medications can be given for support/ treatment of SUD.
- Recognize when a patient should be started on NIPPV.
- Describe some of the major points on systems- and individual-level contributors to burnout and well-being in health care providers.
- Describe the recent advances in the management of patients with stroke including the role of telemedicine.
- Identify the latest evidence-based hospital medicine literature from top-tier journals.
- Learn placement for the ultrasound probe to estimate EF and visualize pericardial effusion.

Guest Faculty

Mike Maresca, MD
Radiology
Canton-Potsdam Hospital
Potsdam, New York

Wake Forest School of Medicine Faculty

Luis Barroso, MD
Infectious Diseases

Buddy Marterre, MD, MDiv
Gerontology and Geriatric Medicine

Raj Nagaraj, MD
General Internal Medicine

Rudy Pascual, MD
Pulmonology and Critical Care

Kelsie Pierre, MD
Addiction Medicine Fellowship

Karl Richardson, MD
Cardiology

Kinchit Shah, MD
General Internal Medicine

Conflict of Interest Policy

It is the policy of Wake Forest School of Medicine to require disclosure of any significant financial interest or any other relationship a faculty member or planning committee member has with the manufacturers of any commercial products or services discussed in an educational presentation. This information can be found in the activity materials distributed at the meeting.

Conference Registration

Full 2-day Conference—\$400 by 9/1/21, / after, \$450

Friday only—\$275

Saturday only—\$275

Full 2-day Conference Student only—\$200

Point of Care Ultrasound Course (Optional)—\$100

Registration fee includes instructional and administrative costs, buffet breakfasts and lunches.

Register and pay online at northwestahec.org/63227 using a credit card (Visa, MasterCard, American Express). Cash, money order, personal check or corporate check is accepted in person or by mail.

Payment Policy—Payment is required on or before entrance into any Northwest AHEC activity. If a corporate payment has not been received before the activity start date, you will be required to provide a personal credit card or check. If the corporate payment has not been received two weeks after activity, your personal credit card or check will be charged or cashed. To avoid personal payment, you should check with the financial staff at your organization to determine status of your payment.

Refund Policy— Cancellations received in our office at least two weeks (14 business days) before the activity will receive a 100 percent refund. Registrants cancelling between two weeks and two full business days prior to the first day of the event will be refunded at 70% of the registration fee subject to a minimum \$25 cancellation fee. The registration fee will not be refunded if a cancellation is received less than two days before the activity. Cancellations must be in writing (fax, email or mail). You may send a substitute in your place.

Note—Registering for and attending this program authorizes Northwest AHEC/Wake Forest School of Medicine to take pictures to be used for the Center's publications, website (including social media sites) and presentations.

When planning for an educational activity, registration fees are not based on credit hours or agenda. Registration fees are based on expenses such as meeting room rentals, food, equipment, technology services, staff, etc., and are not adjusted by issues such as cancellation of speakers or other unforeseen circumstances. Every effort will be given to ensure the activity is a success.
