

Psychopharmacology Update

June 23, 2021

12–1 pm

Live Webinar ONLY - View from your device.

Program Overview and Objectives

There are a multitude of medications used to treat mental health. This lecture will review the best practices from pharmacotherapy clinics for patients with mental health disorders.

Upon completion of this program, participants should be better able to:

- Identify treatment strategies for depression, anxiety, and mood disorders.
- Review drug interactions and common side effects of commonly used psychopharmaceuticals.
- Discuss the role of psychopharmaceuticals in practice.

Who Should Participate

This workshop will be beneficial to behavioral health and human service practitioners, including psychologists, social workers, counselors, marriage and family therapists, substance use and addictions professionals, clinicians and all others interested in this topic.

Faculty

Julienne Kirk, PharmD, BCPS is a pharmacist and Clinical Pharmacist Practitioner. She has held a faculty position as Professor in the Department of Family and Community Medicine at Wake Forest School of Medicine for the past 29 years. She teaches pharmacotherapy and psychopharmacology to family medicine residents.

Northwest AHEC has been approved by NBCC as an Approved Continuing Education Provider, ACEP No. 5465. Programs that do not qualify for NBCC credit are clearly identified. Northwest AHEC is solely responsible for all aspects of the program.

Registration

\$10—Registration fee

This program is offered at a reduced registration fee through support from Old Vineyard Behavioral Health Services.

Registration fee includes administrative costs, instructional materials and certificate of completion.

Register and pay online at www.northwestahec.org/65612. Payment by credit card (Visa, MasterCard, and American Express) or WFBMC internal transfer accepted online. Personal check, corporate check, money order by mail.

Payment Policy—Payment is required on or before entrance into any Northwest AHEC activity. If a corporate payment has not been received prior to the activity start date, you will be required to provide a personal credit card or check. If and when the corporate payment is received, Northwest AHEC will issue a full refund based on your original form of payment. To avoid personal payment, you should check with the financial staff at your organization to determine status of payment.

Refund Policy—Cancellations received in our office at least two weeks (14 business days) before the activity will receive a 100 percent refund. **Cancellations must be in writing by email.** You may send a substitute in your place.

When planning for an educational activity, registration fees are not based on credit hours or agenda. Registration fees are based on expenses such as equipment, technology services, staff, etc., and are not adjusted by issues such as cancellation of speakers or other unforeseen circumstances. Every effort will be given to ensure the activity is a success.

Note— Registering for and attending this program authorizes Northwest AHEC/Wake Forest School of Medicine to take pictures to be used for the Center's publications, website (including social media sites) and presentations. If you do not wish to be photographed, you may opt out of photographs the day of the activity.

For More Information or Assistance

If you have questions about registering for this activity or need auxiliary aids or special services to attend, please contact Gail Pawlik at least five working days before the activity at 336-713-7761 or gpawlik@wakehealth.edu.
