# 2022 North Carolina Lactation Educator Training Program (Fall)

Live Webinars Only

Dates:

August 30 & 31 and October 11 & 12 and November 29 & 30

Plus two clinical days to be scheduled

# 2022 North Carolina Lactation Educator Training Program (Fall)

Live Webinars Only

August 30 & 31 and October 11 & 12 and November 29 & 30

Plus two clinical days to be scheduled

## Target Audience

Health care professionals including lactation consultants, physicians, midwives, health educators, nurses, nutritionists, social workers, and others who provide care to mothers and infants in any health care setting are encouraged to participate.

As part of its commitment to diversity and inclusion, the Northwest AHEC and Wake Forest Baptist Health provides compassionate education and respectful care for all, regardless of sexual orientation, gender identity or expression.

## Overview

This course targets health care professionals who work with breastfeeding mothers, and offers necessary knowledge and skills for providing basic breastfeeding management and support. These skills focus on basic prenatal and postpartum counseling, and the management of common concerns and clinical problems.

The interactive training involves six days of live webinar sessions, two days of clinical rotations and independent study assignments. The clinical days will be scheduled to occur between the first two days and last 2 days of the program.

Upon completion of this knowledge program, participants should be better able to:

- Discuss factors that contribute to the breastfeeding decision.
- Explain the importance of optimal positioning and latch-on.
- Identify common considerations and causes of issues with milk supply.
- Describe hospital policies that contribute to successful breastfeeding.

## Credit

- 70.480 Contact Hours from Northwest AHEC.  
Nurses: This educational activity can be applied toward your continuing competence plan for maintaining your current licensure with the NC Board of Nursing.
- 7.048 CEUs from Wake Forest School of Medicine
- 68.480 IBLCE L CERPs. Long-term provider number assigned to Northwest Area Health Education Center: COT121-01
- 2.0 IBLCE E CERPs. Long-term provider number assigned to Northwest Area Health Education Center: COT121-01

## Cost and Registration

Registration Fee – \$450

\$400 Health Department Discount Rate

Space is limited and preregistration is required! Tuition includes both didactic and clinical training, resource manual and teaching materials and credits for six didactic days. A minimum of 10 participants is required with a limit of 60!

Register and pay online at [www.northwestahec.org](http://www.northwestahec.org) or complete and return the attached registration form. Payment by credit card (Visa, MasterCard, and American Express) accepted online. Personal check, corporate check or AHWFB internal transfer accepted by mail.

Payment Policy—Payment is required on or before entrance into any Northwest AHEC activity. If a corporate payment has not been received prior to the activity start date, you will be required to provide a personal credit card or check. If and when the corporate payment is received, Northwest AHEC will issue a full refund based on your original form of payment. To avoid personal payment, you should check with the financial staff at your organization to determine status of payment.

Refund Policy—Cancellations received in our office at least two weeks (14 business days) before the activity will receive a 100 percent refund. Registrants cancelling between two weeks and two full business days prior to the first day of the event will be refunded at 70% of the registration fee subject to a minimum \$25 cancellation fee. The registration fee will not be refunded if a cancellation is received less than two days before the activity. Cancellations must be in writing (email). You may send a substitute in your place.

When planning for an educational activity, registration fees are not based on credit hours or agenda. Registration fees are based on expenses such as equipment, technology services, staff, etc., and are not adjusted by issues such as cancellation of speakers or other unforeseen circumstances. Every effort will be given to ensure the activity is a success.

For questions and special needs: We want to assure that all participants can benefit from our program. If you need auxiliary aids or special services to attend this program, please call Michelle Adams at least five working days prior to the program at 336-713-7726.

Note—Registering for and attending this program authorizes Northwest AHEC/Wake Forest School of Medicine to take pictures to be used for the Center's publications, website (including social media sites) and presentations.

## General Information

Limited enrollment: 60 registrants maximum! Before submitting your registration, please call Michelle Adams at 336-713-7726 or email micadams@wakehealth.edu to determine availability.

Please note: you must attend 90 percent of the day in order to receive credit and not be required to repeat the day.

A minimum number of 10 participants is required in order for the course to be held with a maximum enrollment of 60.

In the event of a national catastrophe or the minimum number of 10 registrants is not met, the program may be cancelled. Should this occur, all registrants would be notified via email at least two weeks before the program is scheduled to begin or as soon as possible.

## Handouts

Handouts will be mailed to all participants who are registered by August 1, 2022.

Handouts will be mailed to the address we have on file. Handouts will also be accessible online for those who register after that date.
