

Clinical Teaching Associate Workshop

December 12–14, 2022 \ 9 am–6:15 pm

Live Webinar

A Collaboration of

WINSTON-SALEM
STATE UNIVERSITY

Provided by:

Northwest Area Health Education Center (AHEC), a program of Wake Forest University School of Medicine and a part of the NC AHEC System, with support from Forsyth Technical Community College, Novant Health, Atrium Health Wake Forest Baptist, and Winston-Salem State University.

Wake Forest University
School of Medicine

NORTHWEST AHEC
PART OF NC AHEC

Purpose

This partnership strategy serves as a viable strategy to provide professional development to experienced registered nurses. The CTA Course meets criteria for adjunct faculty status as required by the North Carolina Board of Nursing Education Rules. This partnership strategy serves as a viable strategy to provide professional development to experienced registered nurses. The CTA Course meets criteria for adjunct faculty status as required by the North Carolina Board of Nursing Education Rules.

The Clinical Teaching Associate Role

- The Clinical Teaching Associate (CTA) is an experienced professional nurse and clinical practitioner with an interest and commitment to teaching.
- The CTA demonstrates an enhancement of personal practice, a love of teaching and the desire to help promote the nursing profession as reasons for entering into this role.
- The CTA remains in employment of the health care agency while serving as clinical adjunct faculty for a school of nursing.
- The CTA enhances professional visibility and broadens the preceptor's scope of practice.
- The CTA serves as clinical adjunct faculty member responsible for a group of students in a clinical rotation for one assigned semester at a time.

Criteria Required to Become a Clinical Teaching Associate

- Completion of the CTA course is required to serve the health care agency and schools of nursing in this role.
- Completion of a formal preceptor course is recommended within one year from completion of CTA course.
- A Bachelor of Science in Nursing.
- One year of experience at Atrium Health Wake Forest Baptist or Novant Health.
- Two years of overall current clinical nursing experience and direct patient care.
- A commitment to classroom and clinical instruction.

Benefits

- Recognition as a clinical adjunct faculty at Winston-Salem State University or Forsyth Technical Community College.
- Participation in the School of Nursing's faculty meetings.
- Collaboration between education and practice.

Objectives

- Define the Clinical Teaching Associate (CTA) role including the specific responsibilities for Forsyth Technical Community College and Winston-Salem State University.
- Discuss the socialization of the registered nurse to the clinical teaching role.
- Discuss evidence-based practice as it relates to the clinical teaching environment.
- Differentiate the principles of adult learning theory including effective and ineffective feedback behaviors.
- Identify the legal aspects of clinical teaching including the NC Nurse Practice Act.
- Analyze assigned readings for integration into clinical practice.
- Analyze the clinical forms and student policies specific to Forsyth Tech and WSSU Schools of Nursing.
- Discuss the CTA clinical orientation requirements of Novant Health and Atrium Health Wake Forest Baptist.

Credits

24.0 Contact Hours from NW AHEC for students not participating in clinical mentoring activities.

45.0 Nursing Contact Hours

Northwest AHEC is approved as a provider of nursing continuing professional development by the North Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

(3-day Didactic = 24 contact hours and Mentoring activities = 21 hours)

No partial credit given. In order to complete the clinical session, you must be associated with the Nursing program at one of the following schools/hospitals: Forsyth Technical Community College, Winston-Salem State University, Novant Health, or Atrium Health Wake Forest Baptist.

Criteria for successful completion requires attendance for at least 90% of the activity and submission of the evaluation. Please see attendance standards (link) for other details.

Cost and Registration

This activity requires a minimum of 10 registered attendees each day to prevent cancellation.

Space available for a maximum of 30 attendees.

Preceptor instruction will be offered. Clinical sites to be announced in class.

\$0—Registration fee, must be selected by program partner to attend

Registration includes instruction, program materials, certificate of completion.

Register online at northwestahec.org/69157 or complete and return the attached registration form by mail. If you have not received confirmation of your registration 24 hours before the program date, please call Lisa Thomas at 336-713-7729 or email lisathom@wakehealth.edu to verify the status of your registration. Cancellations must be in writing (email or mail).

When planning for an educational activity, registration fees are not based on credit hours or agenda. Registration fees are based on expenses such as meeting room rentals, food, equipment, staff, etc. and are not adjusted by issues such as cancellation of speakers or other unforeseen circumstances. Every effort will be given to ensure the activity is a success.

For questions and special needs: We want to assure that all participants can benefit from our program. If you need auxiliary aids or special services to attend this program, please call Lisa Thomas at least five working days prior to the program at 336-713-7729.

Note—Registering for and attending this program authorizes the Northwest AHEC/Wake Forest School of Medicine to take pictures to be used for the Center's publications, website (including social media sites) and presentations.

As part of our commitment to diversity and inclusion, the Northwest AHEC provides compassionate education and respectful care for all, regardless of socioeconomic status, race, ethnicity, language, nationality, sex, gender identity, sexual orientation, religion, geography, disability and age.
