Who Should Participate

This continuing medical education activity is intended for pediatricians, as well as family medicine physicians, physician assistants, nurse practitioners and nurses who provide care to infants, children and adolescents.

As part of our commitment to diversity and inclusion, the Northwest AHEC provides compassionate education and respectful care for all, regardless of socioeconomic status, race, ethnicity, language, nationality, sex, gender identity, sexual orientation, religion, geography, disability or age.

Program Overview and Objectives

The purpose of Practical Pediatrics 2023 is to offer providers current information relevant to the care of infants, children and adolescents in the outpatient setting.

Upon completion of this program, participants should be better able to:

- Indicate the treatment of patients with infantile hemangiomas and other vascular anomalies.
- Understand allergy testing and pediatrics.
- Identify the DSM-V criteria and clinical features of anorexia and bulimia.
- Discuss national and local burden of firearm injuries and deaths and explore avenues for advocacy.
- Perform focused joint exams and conduct preliminary evaluation for systemic lupus or vasculitis.
- Explain the AAP Clinical Practice Guideline development process and apply the new guidelines to their clinical practice.
- Understand signs of abuse and misuse of controlled substances and the prevalence of opioid use disorder (OUD) in pregnancy.
- Understand the common types of pulmonary function testing available to pediatric physicians.
- Design a sensible therapy regimen for mild to moderate disease, incorporating the "PCP topical steroid toolbox".
- Recognize various forms pediatric acne, the contemporary classification, and some potential mimickers.
- Distinguish between staph scalded skin syndrome and Stevens Johnson Syndrome, and between other inpatient dermatoses.
- Describe the most common forms of alopecia seen in children clinically and trichoscopically and compare treatment options for pediatric alopecias.
- Describe ways to improve patients' treatment adherence and improve patients' treatment adherence.
- Recognize pseudostrabismus and identify different types of real strabismus.

Cost and Registration

\$300 – Physician Registration Fee

\$150 – Non-Physician Registration Fee

Registration fee includes instructional, administrative costs, certificate of completion and program materials.

Register and pay online at northwestahec.org/70515 or complete and return the attached registration form. Payment by credit card (Visa, MasterCard, American Express, and Discover) is accepted online. Cash, money order, personal check, corporate check or WFBMC internal transfer is accepted in person or by mail.

Payment Policy: Payment is required on or before entrance into any Northwest AHEC activity. If a corporate payment has not been received before the activity start date, you will be required to provide a personal credit card or check. If and when the corporate payment has been received, Northwest AHEC will issue a full refund based on your original form of payment. To avoid personal payment, you should check with the financial staff at your organization to determine status of payment before the event date.

Refund Policy: Cancellations received in our office at least two weeks (14 business days) before the activity will receive a 100 percent refund. Registrants cancelling between two weeks and two full business days prior to the first day of the event will be refunded at 70 percent of the registration fee subject to a minimum \$25 cancellation fee. The registration fee will not be refunded if a cancellation is received less than two days before the activity.

Cancellations must be in writing (email or mail). You may send a substitute in your place.

When planning for an educational activity, registration fees are not based on credit hours or agenda. Registration fees are based on expenses such as equipment, technology services, staff, etc., and are not adjusted by issues such as cancellation of speakers or other unforeseen circumstances. Every effort will be given to ensure the activity is a success.

Note - Attendance at this activity grants permission for Northwest AHEC to use any photographs, audio, video, or other images from this activity for promotional or educational purposes. Please notify a Northwest AHEC staff member if you have concerns.

If you have not received confirmation of your registration 24 hours before the program date, please call Samantha Garvens at 336-713-7754 or email sagarvens@wakehealth.edu to verify the status of your registration.

For More Information and Assistance

If you have not received your confirmation within 24 hours of the program date or have questions regarding the event, registration or fee(s), please contact Samantha Garvens at 336-713-7754 or email sagarvens@wakehealth.edu.

We want to ensure that all participants can benefit from our program. If you need auxiliary aids or special services to attend this program, please call or email Samantha Garvens at least 5 working days prior to the program.
