

19<sup>th</sup> Annual

# Breast Cancer Symposium

Jan. 24, 2025

8:30 am – 4:45 pm

Benton Convention Center  
Gallery Ballroom  
301 W 5<sup>th</sup> Street  
Winston-Salem, NC

## Program Overview

The optimal treatment of breast cancer patients involves a multidisciplinary team of physicians. Due to the time constraints placed on health care providers who treat breast cancer, it is a challenge to provide and attend educational opportunities that bring together medical, surgical, and radiation oncologists as well as radiologists, pathologists, nurses, and allied health staff. This symposium aims to address this educational need by providing participants with the latest developments in multidisciplinary fields that treat and care for breast cancer patients.

## Who Should Participate

This activity is designed for physicians (oncologists, radiation oncologists, surgeons, plastic surgeons, gynecologists, family and primary care), physician assistants, radiology technicians, nurse practitioners, oncology nurses and other nurses who care for breast cancer patients in different practice settings.

As part of our commitment to diversity and inclusion, the Northwest AHEC provides compassionate education and respectful care for all, regardless of socioeconomic status, race, ethnicity, language, nationality, sex, gender identity, sexual orientation, religion, geography, disability and age.

Provided by:

Northwest Area Health Education Center (AHEC), a program of Wake Forest University School of Medicine and part of the NC AHEC System.

## Objectives

Upon completion of this activity, participants should be better able to:

- Understand the difference between Contrast enhanced mammography vs. MRI vs. Ultrasound.
- Recognize the implications of the pathologic difference between atypical and malignant breast lesions.
- Make informed decisions about when to use genetic panel testing in the diagnosis and management of breast cancer patients.
- Describe the management of estrogen receptor positive and node positive breast cancer patients' treatment. Discuss the surgical management of breast cancer.
- Recognize the role of breast navigation and survivorship plays in the care of cancer patients.
- Discuss newer techniques in radiation techniques for breast cancer patients.

## Agenda

- 8:30 am **Registration/Breakfast/Exhibitors**
- 8:50 am **Welcome**  
Marissa Howard-McNatt, MD
- 9 am **New Imaging Modalities of the Breast**  
Margaret Yacobozzi, MD
- 9:35 am **From Atypia to Breast Cancer**  
Daniel Coldren, MD
- 10:10 am **Break/Exhibitors**
- 10:25 am **Emerging Agents in the Treatment of Hormone Receptor Positive Tumors Resistant to CDK4/6 Inhibitors**  
Katherine Ansley, MD
- 11:10 am **Updates in Genetic Testing**  
Nori Richen, MS, CGC
- 11:45 am **Survivor Panel**
- 12:15 pm **Lunch/Exhibitors**
- 1:15 pm **The Patient Experience During Radiation Treatments**  
Hadley Sharp, MD
- 1:50 pm **Options for Breast Reconstruction**  
Thomas Steele, MD
- 2:25 pm **Break/Exhibitors**
- 3 pm **Estrogen Deprivation and Treatments for its Side Effects: A Gynecologist Perspective**  
Candace Parker-Autry, MD
- 3:35 pm **Survival in Breast Conserving Surgery with Radiation vs Mastectomy in Early-Stage Breast Cancer**  
Charity Glass, MD
- 4:10 pm **Ask the Expert: Case Presentation**  
Edward Levine, MD, Susan Melin, MD and Doris Brown, MD
- 4:45 pm **Adjourn**

## Faculty

**Katherine C. Ansley MD**  
Associate Professor  
Hematology/Oncology  
Wake Forest University School of Medicine

**Marissa Howard-McNatt, MD**  
Professor  
Surgical Sciences – Oncology  
Wake Forest University School of Medicine

**Nori Richen, MS, CGC**  
Genetic Counselor  
Atrium Health Wake Forest Baptist

**Doris Brown, MD**  
Associate Professor  
Radiation Oncology  
Wake Forest University School of Medicine

**Edward Levine, MD**  
Chief  
Surgical Sciences - Oncology  
Wake Forest University School of Medicine

**Hadley Sharp, MD**  
Radiation Oncologist  
Atrium Health Levine Cancer Institute

**Daniel Coldren, MD**  
Assistant Professor  
Department of Pathology  
Wake Forest University School of Medicine

**Susan Melin, MD**  
Professor  
Hematology and Oncology  
Wake Forest University School of Medicine

**Thomas Steele, MD**  
Assistant Professor  
Plastic Surgery  
Atrium Health Wake Forest Baptist

**Charity Glass, MD**  
Assistant Professor  
General Surgery  
Wake Forest University School of Medicine

**Candace Parker-Autry, MD**  
Associate Professor  
Urogynecology  
Wake Forest University School of Medicine

**Margaret Yacobozzi, MD**  
Associate Professor  
Radiology  
Wake Forest University School of Medicine

## Credit

- Wake Forest University School of Medicine designates this live activity for a maximum of 6.0 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Accreditation: Wake Forest University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

- 6.0 Nursing Contact Hours

Northwest Area Health Education Center (NWAHEC) is approved as a provider of nursing continuing professional development by the North Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Criteria for successful completion requires attendance for at least 90% of the activity and submission of the evaluation.

- Activity approved by ASRT for 4.5 Category A continuing education credit. Activity Expiration Date: 9/28/24 at 12:01 AM.
- 6.0 Contact Hours from Northwest AHEC
- AAPA accepts certificate of participation for educational activities certified for *AMA PRA Category 1 Credits*<sup>™</sup> from organizations accredited by ACCME or a recognized state medical society. Physician Assistants may receive a maximum of 6.0 hours of credit for completing this program.

Credit will be awarded based on participant selection at time of registration. Before selecting credits, please review our general [Credit Glossary](#) but note not all programs offer all credits.

Registering for and attending this program authorizes Northwest AHEC/Wake Forest University School of Medicine to take pictures to be used for the Center's publications, website (including social media sites) and presentations.

## Registration Fee

**\$125 if registered by 1/10**

**\$150 if registered after 1/10**

**Register and pay online** at [nwahec.org/73611](http://nwahec.org/73611) or complete and return the attached registration form. Payment by credit card (Visa, MasterCard, American Express and Discover) or Atrium Health Wake Forest Baptist internal transfer accepted online. Personal check, corporate check, money order, accepted by mail.

### Payment Policy:

Payment is required on or before entrance into any Northwest AHEC activity. If a corporate payment has not been received prior to the activity start date, you will be required to provide a personal credit card or check. If the corporate payment has not been received two weeks post activity, your personal credit card or check will be charged or cashed. To avoid personal payment, you should check with the financial staff at your organization to determine status of payment.

### Refund Policy:

Cancellations received in our office at least two weeks (14 business days) before the activity will receive a 100 percent refund. Registrants cancelling between two weeks and five full business days prior to the first day of the event will be refunded at 70% of the registration fee subject to a minimum \$25 cancellation fee. The registration fee will not be refunded if a cancellation is received less than five days before the activity. Cancellations must be in writing (email). You may send a substitute in your place.

Note—If you have not received confirmation of your registration 24 hours before the program date, please call Michelle Adams at 336-713-7726 or email [micadms@wakehealth.edu](mailto:micadms@wakehealth.edu) to verify the status of your registration.

## For More Information and Assistance

If you have questions about registering or need auxiliary aids or special services to attend this program, please contact Michelle Adams at least five working days prior to the program by calling 336-713-7726 or emailing [micadams@wakehealth.edu](mailto:micadams@wakehealth.edu).

Register online at [www.nwahec.org/73611](http://www.nwahec.org/73611) or use the form below
